Young, Gifted and Entrepreneurial: A Motivational Workshop for Young People featuring:-

Employment Advocacy Services Ltd — “A Day in the Life of An Employment Lawyer”, Box Up Crime Ltd, ThatNatural Stuff, Pick It, Juice it, Drink It , Avos Solutions Ltd, Proud Moments Photography, Be Sharp.

The aim of this conference is to prevent students from turning to crime as an Alternative. The economic and social cost of crime is estimated at £60 billion a year (over £164 million per day). Lets work together to reduce this cost.

"What do we say to a young person at school thinking about their career for the first time if they don't want to do traditional academic subjects? What is the gold-standard vocational qualification? What should they be aiming for in the long-run? What do they need to do to get there? We must be One Nation, not two, because we know that route doesn't work for everyone and we know as well there have not been clear enough alternatives. **Ed Milliband 10th July 2014.**

“Only once in your life, I truly believe, you find someone who can completely turn your world around”.

Bob Marley
